GRIFFINS WERE ABSENT.

Preliminary Hearing of the Defendants.

Managers Off Peacefully.

Manchester, Ky., July 25.—At the trial of George and Peter Philpot for the murder of Morris and the Griffins held by Judge Wright, none of the Griffins appeared. After hearing a half dozen or more witnesses, the court dismissed the defendants. The Philpots then asked that Green Gibbs be summoned to answer for killing Ed Fisher, but the judge said Gibbs was not able to come into court. They adjourned. Great relief was expressed at the non-appearance of the Griffins.

Conflicting Reports.

London, July 25.—Reports regarding the resignation of President Paul Kruger, of the South African republic, are conflicting, but according to the best information he actually resigned his office conditionally. The Volksraad, while maintaining its opposition to President Kruger's views on the dynamite concession, has given its assurance that it still has the utmost confidence in President Kruger and it is believed he has withdrawn his resignation.

Want Money Refunded.

Washington, July 25.—Secretary Hay has called upon the Nicaraguan government to refund to the American merchants the amount which they were illegally compelled to pay for port and other duties during the recent revolution at Bluefields. Several American merchants were made to pay these duties twice because officers representing the revolutionists and the Nicaraguan government were in control of the different ports at the same time.

Paris, July 25.—General Pellieux, recently military governor of Paris, has been appointed to the command of the Fourth-fourth brigade, located at Quimper, department of Finisterre. Major Count Ferdinand Walstein Esterhazy will receive a safe conduct to enable him to testify before the court martial at Rennes, for the re-trial of Captain Dreyfus.

Death of a Train Robber.

Santa Fe, N. M., July 25.—Samuel Ketcham, the train robber recently arrested at Cimarron, is dead at the penitentiary, having died of blood poisoning resulting from the wound in the arm which he received in the fight with the sheriff's posse. He refused to make a statement, although he knew he was dying.

Beneficial Settlement.

London, July 25.—Despite disquieting reports, it is believed at the British foreign office that the Alaskan boundary dispute is trending towards settlement. The United States ambassador, Mr. Joseph H. Choate, forwarded to Washington important detailed dispatches embodying Canada's position with reference to the Lynn canal strip. Sir Julian Pauncefote's return, it is expected, will advance matters, owing to his knowledge of both the American and Canadian positions.

Murdered by Indians.

Los Angeles, July 25.—General Juan Ybarri, of Mexico, who is in this city, has received a telegram from Guaymas, Mexico, stating that Carlos Hale, son of the late American consul at that port, had been murdered by the Yaqui Indians. The further information is given that the warlike Yaquis are again in a state of revolt and that they have plundered the haciendas in the state of Sonora.

His Speech Was Read.

Atlanta, Ga., July 25.—The Southern Industrial league opened its convention at the Kimball house. F. B. Thurber, of New York, who was down on the program for a speech on "Hindrances to Southern Development" could not be present, but his speech was read.

The young folks met at the hospitable home of Mr. Allie Dickson last Saturday evening and passed the time very pleasantly with music and social conversation.

"More haste, less speed," and "hasten slowly," are proverbs born of experience that some things can't be hurried without loss and waste. That is specially true of eating. The railway lunch habit, "five minutes for refreshments," is a habit most disastrous to the health. You may hurry your eating. You can't hurry your digestion, and the neglect to allow proper time for this important function is the beginning of sorrows to many a busy man. When the tongue is foul, the head aches, when there are sour or bitter risings, undue fullness after eating, hot flushes, irritability, nervousness, irresolution, cold extremities, and other annoying symptoms, be sure the stomach and organs of digestion and nutrition have "broken down." Nothing will re-establish them in active healthy operation so quickly as Dr. Pierce's Golden Medical Discovery. It strengthens the stomach, nourishes the nerves, purifies the blood, and builds up the body. It is a strictly temperance medicine containing no alcohol or other intoxicant.

Given away. Dr. Pierce's great work, The People's Common Sense Medical Adviser is sent free on receipt of stamps to pay expense of mailing form. Send 21 one-cent stamps for the paper covered book, or 31 stamps for cloth binding, to Dr. R. V. Pierce, Buffalo, N. Y.

An Incredible Jury.

In a criminal prosecution recently tried in York, Neb., the jury, after a brief deliberation, returned the following remarkable verdict: "We, the jury in the above named case, do not believe one word that the witnesses have sworn to; neither do we believe that any of the attorneys have spoken the truth, nor that either of them could do so even if he should care to take the trouble to try." The humor in remarks casting doubt upon the veracity of the legal profession has lost the freshness of early youth, and a good, stiff penalty for contempt in cases of this kind would probably redound to the benefit of mankind in general.—Law Notes.

Fears Unsub.

Washington, July 25.—United States Minister Hunter has secured from the government of Honduras a full report of the circumstances attending the killing of young Pears last spring, which has been made the subject of a claim for indemnity by the United States. The report will form the basis of speedy diplomatic action.

Another For Bezenah.

Louisville, July 25.—Eugene Bezenah of Covington got the decision over Jimmy Murray of Louisville in a 15-round bout here.
